IN REMOVAL PROCEEDINGS

MOTION

ON BEHALF OF RESPONDENT: Patricio Garza Izaguirre, Esquire

APPLICATION: Reinstate

This record was last before the Board on July 15, 2016, when the respondent's removal proceedings were administratively closed. The respondent, through counsel, has now filed a request to recalendar and terminate removal proceedings in order to continue to pursue his application for adjustment of status which he filed with the Department of Homeland Security's U.S. Citizenship and Immigration Services (USCIS). The respondent's application for adjustment of status is based upon an approved Form I-360 petition for Special Immigrant Juvenile Status. The respondent has supported his motion with copies of Notices received from USCIS regarding the status of his application for adjustment of status. The Immigration and Customs Enforcement, who represents DHS before the Board, has not responded to the respondent's motion. The record before us supports reinstating proceedings, and terminating removal proceedings for the purpose of allowing the respondent to pursue his application for adjustment of status before USCIS. Accordingly, the following orders will be entered.

ORDER: The motion to reinstate proceedings is granted.

FURTHER ORDER: The respondent's removal proceedings are terminated without prejudice.
