In re: FRANCISCO VILLAGRANA-ROBLES

IN REMOVAL PROCEEDINGS

MOTION

ON BEHALF OF RESPONDENT: Shawn D. Meade, Esquire

APPLICATION: Reinstatement of proceedings; remand

This case was last before the Board on August 23, 2010, when we dismissed an appeal from the Immigration Judge's order denying a continuance of proceedings and ordering the respondent removed from the United States. The respondent has now filed a motion to reopen and remand these proceedings for consideration of an application to adjust his status. The respondent has been afforded Deferred Action for Childhood Arrivals (DACA), and is now the spouse of a United States citizen, with an approved I-130 immediate relative visa petition. The Department of Homeland Security (DHS) has not opposed the motion. Considering the circumstances presented, the unopposed motion will be granted. 8 C.F.R. § 1003.2(g)(3).

ORDER: The motion is granted; these proceedings are reopened and remanded to the Immigration Court for further proceedings.
