In re: Freselam Tesfahuney ABREHA

IN REMOVAL PROCEEDINGS

MOTION

ON BEHALF OF RESPONDENT: Vladimir Goutsaliouk, Esquire

APPLICATION: Reopening

ORDER:

Proceedings in this case were administratively closed by the Board on February 28, 2017, pursuant to remand of the proceedings by an order of the United States Court of Appeals for the Ninth Circuit based upon the Department of Homeland Security's exercise of prosecutorial discretion. The respondent has filed a motion to reopen and terminate proceedings to apply for adjustment of status before the United States Citizenship and Immigration Services based on an approved immediate relative visa petition. The Department of Homeland Security has not affirmatively opposed the motion. Accordingly, the motion will be granted and proceedings will be terminated so that the respondent can pursue an adjustment of status application before the United States Citizenship and Immigration Services.

ORDER: The Board's February 28, 2017, decision is hereby vacated, these proceedings are terminated without prejudice, and the record is returned to the Immigration Court without further action.
